Completely automatic flat material grinding: Flat material grinding machine

Part Number: 7 90 21 112 23 3

## Technical data

---

Power	3.4/4 hp, (11.8/14.1 amps)
No load speed	1,800–3,600 rpm
Feed motor power	0.24 hp (180w), 0.8 amps
Belt dimensions	6 × 79 in (150 × 2,000 mm)
Belt speed	49/98 ft / sec (15/30 m/ sec)
Max. dimensions of profile/flat material	4 × 4 in (100 × 100 mm)
Min.-Max. Length profiles/flat material	12–79 in (300–2,000 mm)
Max. weight profiles/flat material	20 lbs (9 kg)
Weight	454 lbs (206 kg)

## Price includes:

---

1 CEE plug
16 Amp
1 grinding belt 6 × 79 in (150 × 2,000 mm)
36 grit R
