

# GX 75

Belt grinding machine

Part Number: 7 90 10 112 44 3

The Slugger GX 75 and Slugger GX 75 2H form the foundation of the Slugger GX system.

- Rapid material removal
- Precise operation using the patented belt tensioning system
- Maximum cost effectiveness by saving on special machines
- Full work capability, even without add-on modules

# GX 75

Belt grinding machine

Part Number: 7 90 10 112 44 3

## Technical data

---

Power consumption	4 hp, 440v, 6.8 amps, 3phase
No-load speed	3,600 rpm
Belt dimensions	3 × 79 in (75 × 2,000 mm)
Weight	165 lbs (75 kg)

## Price includes:

---

1 CEE plug
16 Amp
1 grinding belt 3 × 79 in (75 × 2,000 mm)
36 grit R
